Naomi Derkson - Accompanist

Naomi considers the art of accompanying a passion in life. She has played piano for several community choirs, theatre companies, and individual singers, including all 3 choirs at Capilano University. She now plays for classes at several ballet schools in Victoria, and accompanies individual singers. As well, she accompanies for the Victoria Gilbert & Sullivan Society. The Avalon Singers are thrilled to have her join us this spring.

Laurie Walker - Choral Director

Laurie's singers know him in the most special of ways - at his most animated and genuine best! Laurie's passion and musical expressions are infectious and fun. We laugh every Thursday. Laurie can sing any part (and always does) – including the high notes that can put sopranos to shame! It's the perfect combination of friendship, laughter and song. We hope you enjoy what a January - April session with Laurie can produce. We sure loved doing it. Thanks Laurie.
